

# Pro-Rite Gleam

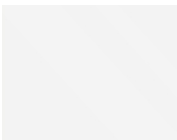

## Features

- Made from 0.1875" low iron tempered glass
- Back painted with low VOC, eco-friendly, water-based paints
- 10 popular colors
- Magnetic, requires rare earth magnets
- Z-bracket mounting
- Available in horizontal orientation
- 5 Year Warranty

Give your room a high-gloss and high-design finish with Marsh's only glass collaboration tool. For corporate settings that need a lift, Pro-Rite Gleam is an eye-catching option that stands out and beckons good ideas. Slightly heavier than our CeramicSteel, Pro-Rite Gleam is still easy to install — and hard to miss.
