Perfectly sized for personal use or small spaces for office workers and students alike, Solo brings the art of note taking and list making to another level. You can mix and match colors for a collage concept or let it shine on its own. Sustainably designed, this personal office whiteboard is simple in its approach and easy to install with either black or chrome standoff edge mounts. Pairs perfectly with our Breeze customizable writing board and Notch magnetic writing board to help create functional writing surfaces anywhere in the office or classroom.
